| PROSECCO VENETO ADAMI <i>Prosecco is Italy's most popular dry sparkling wine</i> | | \$35 |

In an effort to remain true to our passion for all things Italian, we offer only Italian wines. Italian wines are very distinct and differ greatly from other wines of the world. Generally speaking, Italian wines are made as a reflection of the soil and grape variety, not necessarily wood aging. Due to the frequent changes in Italian vintages, we left them off the menu. Our staff will gladly inform you, even let you taste, any of our wines.
